Re Docker # CG Docket No 02-278,

Dear Secretary.

I believe that when you sign up for new service with a telephone company or an internet provider you should be given the choice **of** whether or not you want telemarketers to have access to your telephone number other than through the telephone **book**. **A** listing of new phone numbers should not be provided to these predators

Thank you for considering my opinion

Sincerely

A handwritten signature in black ink, appearing to read "Janet Colville", written over a horizontal line.
